Staff giving over and above to the role of duty

Every month staff nominate a work colleague to an award, if they feel they have given over and above to their role of duty. I would like to extend this to parents, please speak to Nicola if you would like a nomination form. Last month Bethany received staff member of the month, well done Bethany!! Davina was very pleased when she received a nomination from a parent. It is very rewarding for staff when they receive an nomination.

As part of a safeguarding policy, mobile phones must not be used in nursery. Please can all parents follow this policy. Thank you.
